Welcome to SergeyWiki!

You have reached the personal wiki of Sergey Smirnov. This is a site to store all of my thoughts, references, projects, and everything in between. As such, most of the content that this site will contain is **not** publicly accessible.

If you have an account registered, you may peruse pages I set free to read.

Contact

You may reach me at the following places:

- Personal site: https://smirnov.nyc
- Twitter: @sergeydgr8
- LinkedIn: @sergeydgr8

What is this running on?

This wiki is powered by DokuWiki, running on Ubuntu 18.04 with NGINX, hosted on AWS EC2, backed up to S3, and routed by Namecheap. Read more about the whole setup here!
